Lake Forest, CA 92630

June 6th, 2019

To Our Valued Local Business Owners:

Santiago STEAM Magnet is an Elementary School in Lake Forest serving students and families with a variety of needs. We are using Project Based Learning as a tool to engage students in the classroom like never before. We have a NO Homework Policy which encourages more family time and extracurricular activities. Our students learn to work with their diverse classmates by being placed on project teams which encourage them to invent, innovate, and work together to build presentations using technology.

As a Title 1 School we have many families receiving free and reduced lunches, and many families that need communication and translation in other languages. We encourage parent engagement through family events such as our **Fall Festival and Silent Auction** taking place this year on October 25th. **We hope that you might be able to donate products, services, or experiences that we could include in our Silent Auction.**

Santiago Elementary PTA has a strong 34 year history of bringing community involvement and educational programs to our small school in Lake Forest hidden in the eucalyptus grove.

As a 501c3 nonprofit organization, our PTA welcomes tax deductible donations. Our fundraiser proceeds help us to implement our many programs. Programs we have planned for the coming year include our Ice Cream Social, Fall Festival, Reflections Art Contest, Campus Beautification Projects, Yearbook, Spirit Wear, Book Fair, Jog-a-thon, Glow Party, Staff Appreciation Events, Bagels with Loved Ones, as well as **providing our teachers with project supplies and equipment.**

May we count on your support this year? Please send your donation to the above address or I can make arrangements to pick up your donation. You can reach me by email at president@santiagopta.com , or at **949-294-0661**.

On behalf of the Santiago STEAM Magnet Elementary parents, teachers, and students, I thank you for your time and consideration. **Santiago Elementary PTA Non-Profit Tax ID Number: 23-7380462**

Charlene Kramer
President, Santiago Elementary PTA
